Thank you for paying your dues and continuing your membership with the American Legion. Our strength comes from our numbers as both money and influence in State and Federal government allow us to support pro-Veteran legislation. Even if you can't attend meetings or make it to march (ride) in our parades, your membership is important to us. We would still love you to attend so if you can make any of the events above that would be great. As always, if you have concern or needs of any kind the legion would like to help. If we can't, we're sure we can find someone who can.

Feel free to reach out to me, at 607-435-1658 or by email at [dlamouret@live.com](mailto:dlamouret@live.com)
